

Advertise with **INTERNATIONAL MARITIME HEALTH FONDATION**

We are a non-profit scientific foundation with scientific objectives and international activities.

Our first priority is the dissemination of scientific knowledge of maritime medicine and adjacent fields, through our scientific Journal “International Maritime Health” – the world’s only indexed scientific journal of maritime medicine in the English language and through our web page - www.imhf-portal.org.

Reach a **highly engaged maritime audience** at www.imhf-portal.org.
